

WAVERLEY ARS – Calendar of Events for 2015

This list covers not only our own activities, where outside or portable activities are identified in **GREEN**, but events of other radio related organisations in **RED** that may be of interest to our members. WARS refers to the Waverley Amateur Radio Society, HRSA to the Historical Radio Society of Australia and ARNSW to Amateur Radio NSW.

On most Tuesdays there is a working bee at the clubhouse from around 10am to 4pm, however visitors may wish to call on the Paddington 2 metre repeater to check if anyone is there.
